

Maximise Everyday with Maximum Earnings.

INTRODUCING THE **TVS**
TRAK 150

150cc Engine | 30 kg Load Capacity | USB Charger
105 kmph | Gear Position Indicator

Maximise Everyday with Maximum Earnings.

The TVS TRAK 150 is a game-changer for those who make a living by performing essential deliveries by way of the road. With superior power, fuel efficiency, and convenience features, this machine enables you to maximise your productivity, and your earnings.

Wide & Strong Utility Carrier

With 30kg of load bearing capacity, the wide and strong utility carrier will carry loads of all shapes and sizes – enabling you to perform more deliveries without compromising on efficiency.

USB Mobile Charging Port

The charging port keeps you on the go, eliminating unnecessary stops to recharge your phone.

Top Speed of 105 km/h

Featuring a three digit top speed of 105 km/h, the TRAK 150 is designed to power you through the streets as you maximise everyday.

150cc Ecothrust Engine with IOC Technology

The powerful 150cc engine delivers incredible performance that gets you across the city in the most efficient way, and doesn't buckle under heavy loads.

N Gear Position Indicator

The gear position indicator advises you on when to shift gears, enabling you to optimise your riding style for maximum fuel efficiency.

TECHNICAL SPECIFICATIONS

DIMENSIONS AND WEIGHT

Overall length	2030 mm
Overall width	745 mm
Overall height	1150 mm
Kerb weight	
(with toolkit and 90% of fuel)	120 kg

ENGINE

Engine Type	Single Cylinder, 4 stroke, air cooled spark ignition engine
Maximum power in kW	8.8 kW @7500 rpm
Maximum torque in Nm	12.3 Nm @5000 rpm
Piston displacement	147.49 cc

CHASSIS

Frame	Single cradle type
Front suspension	Telescopic oil damped
Rear suspension	5 step adjustable hydraulic shocks with rectangular swing arm

TYRE SIZE

Front Tyre	2.75 -17
Rear Tyre	90/90 -17

ELECTRICAL

Battery type	12V, 5Ah
Head lamp	12V, 35/35W, HS1

BRAKE

Front Brake	Hand operated, internally expanding 130 mm dia. Drum	Rear Brake	Foot operated, internally expanding 130mm dia. Drum
-------------	--	------------	---

CAPACITIES

Fuel tank capacity**	12 litres	Reserve	2.0 litres
