RACING DNA RELOADED

WHAT'S NEW?

**Google Map Mirroring**

Seamlessly mirror the navigation from your device for directions on the go while displaying rider-essential information clearly

Panic Brake Alert

Warns those behind you while adding an extra layer of safety by flashing the rear brake light during sudden braking

**Adjustable Front USD Suspension**

Enables a stiffer preload setup meant for aggressive track racing, or a softer setup for comfort riding.

Type-C Charger

Conveniently charge your device while you ride, keeping you connected throughout your journey

*Available only in select TVS race cases
